

Traffic Tips

Ennis National School is accessed via a Public Road. Below are some Tips devised to help minimise delays while the school considers other solutions. Thank you!

1 Use the Walking Bus in the morning and the afternoon. It leaves Curley's Car Park at 8:30am and returns with senior school children at 2:50pm approximately.

2 Drop and Go. Don't linger when you drop your child. Free up space by moving your car.

3 Avoid the school by parking at Curley's or Westgate Business Park.

4

Prepare your children for drop off. Let them in and out of the car on the path side and not on the traffic side.

Cars Travelling have right of way over cars moving out of parking places. Keep moving. Those motorists will be free to exit when cars are stopped at pedestrian crossing.

5

6 PLEASE NEVER, EVER..... Never, park or pull over in the Red Zones (highlighted on the reverse of this sheet). Doing so prevents the free flow of traffic and could obstruct emergency vehicles.

8

When parking, Reverse in and Drive out.

7

Park in one of the allocated parking spaces OR Pull Over when dropping and collecting.

9 PLEASE NEVER, EVER..... Never let your children out of or into the car when you're in the flow of traffic!

10

The staff car park can only be used when a child is unable to walk due to injury or otherwise. Passes for staff car park are available from the school.

11

Please cooperate with Volunteers. They are there to help you by keeping cars moving.

These Traffic Tips and the plan on the back were developed with the support of parents, Clare County Council and An Garda Síochana. Thank you !
